

DECISION OF THE COMMITTEE OF ASSOCIATION JEUNE MUSIQUE

FOR CANDIDATES RESIDING IN SWITZERLAND:

On-site attendance at the competition in Fribourg is mandatory.

Candidates residing in Switzerland must be physically present at the competition in Fribourg.

However, if by 8 May 2021 the sanitary situation and federal/cantonal regulations question the staging of the competition in this format, candidates residing in Switzerland will be required to send a video of their program.

In that case, a member of the Jeune Musique Committee will contact the candidate or their teacher to schedule a date for the video recording, in order to certify by their remote presence that the video recording was indeed taken in a single shoot, under the conditions of live performance.

FOR CANDIDATES RESIDING OUT OF SWITZERLAND: 2 OPTIONS

1 - Participation in the competition by sending a video recording.

Candidates residing out of Switzerland must provide a video of their program.

A member of the Jeune Musique Committee will contact the candidate or their teacher to schedule a date for the video recording, in order to certify by their remote presence that the video recording was indeed taken in a single shoot, under the conditions of live performance.

2 - On-site attendance at the competition in Fribourg.

Candidates residing out of Switzerland are physically present at the competition in Fribourg.

Candidates residing out of Switzerland should not send a video recording of their program unless, by 8 May 2021, the sanitary situation and federal/cantonal regulations question the staging of the competition in this format.
